

Whirling Stripes

By Jeanne Toewe

Kit includes:

Stripes:

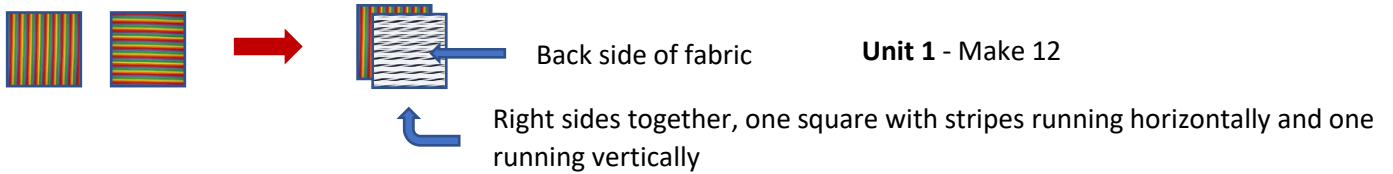

Twenty-four 8-1/2" striped squares
(Twelve sets of two)

Sashing and borders

Eleven 2-1/2" x WOF for sashing and borders

All of the seam allowances are 1/4"

Place two of the **same fabric** squares right sides with one fabric running horizontally and one running vertically.

Using 1/4" seam allowance, sew a straight line down each side of Unit 1 stacked squares to create Unit 2. (12 units). Then cut unit 2s in half diagonally. **Once you cut fabric, the edges are bias so be careful not to stretch the fabrics.** Each stack will make two Unit 3s. Sew the unit 3s together to create block, nesting center seams together. Blocks should measure 11-1/4"

Sew blocks together using sashing between blocks. Set 3 blocks by 4 blocks.
