

Rocket

By Jeanne Toewe

Colors

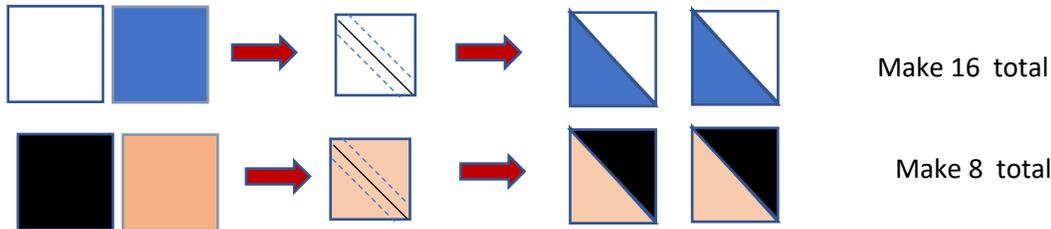

Fifty-eight 5" squares
 Eight 6" squares
 Four 6" black squares

White/Lights

Thirty 5" squares
 Twelve 6" squares
 Three 2-1/2" WOF strips (side borders)
 Two 1-1/2" WOF strips (top and bottom border)

All of the seam allowances are 1/4"

Using the method below, make 16 half square triangles with the eight 6" white/lights and the color 6" squares. Draw line diagonally across back of light fabric. Put fabrics right sides together and sew 1/4" on either side of drawn line. Cut on solid line to create **two identical half square** triangles. Trim half square triangles to 5". Then make eight half square triangles using four 6" black and four 6" color fabrics.

Arrange squares and half square triangles in a pleasing manner. Sew quilt together in columns or rows as shown below. Sew strips together to create borders, then sew borders on both sides.
