

# CAROL'S QUICK QUILT

Main Fabric – 1 or more yards

Accent Fabric –  $\frac{1}{2}$  yard

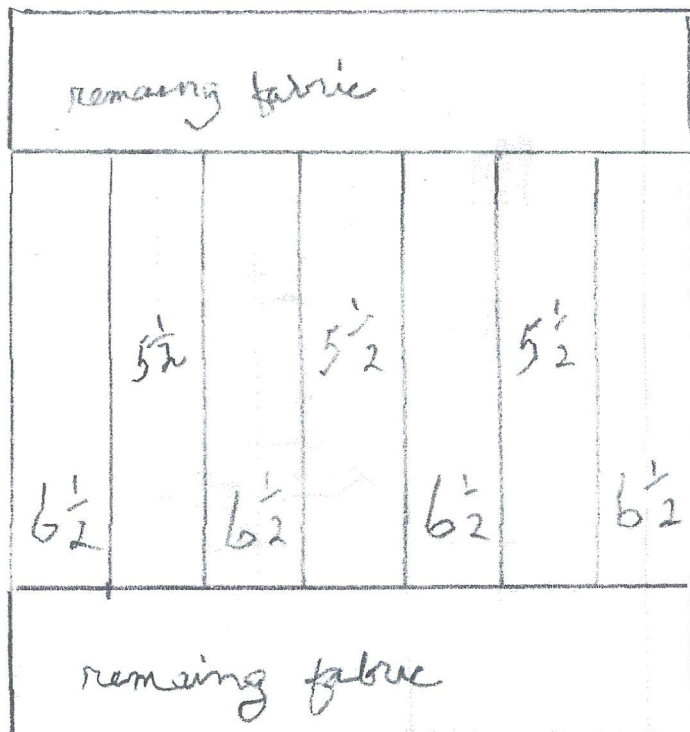

Cut main fabric into 4 –  $6\frac{1}{2}$  inch wof strips

Cut remaining fabric into 2 wof pieces

Cut accent fabric into 3 –  $5\frac{1}{2}$  inch wof strips

Sew the 7 strips together per diagram, trim top and bottom even

Sew remaining main pieces, one to the top and one to the bottom, trim

Using  $\frac{1}{2}$  yd and 1 yard gives a top 39 x 50

Using  $\frac{1}{2}$  yard and  $1\frac{1}{4}$  yards gives a top 39 x 59

Mix up the 3 accent pieces for greater interest

If you wish, every cut could be a different fabric
