

Modified Bricks and Blocks

This is a modified version of Jeanne Toewe's Bricks and Blocks pattern to make the quilt shorter. The approximate finished size is 40" x 52". The original pattern can be found on The Linus Connection Blog under Free Patterns & Ideas.

Materials Needed

- **From Assorted Print Fabrics**
 - 9 - 8.5" squares
 - 26 - 4.5" x 8.5" rectangles
- **From Sashing Fabric**
 - 9 - 2.5" width of fabric sashing strips cut into:
 - 6 - 2.5" x 40.5" strips (confirm length before cutting)
 - 12 - 2.5" x 8.5" rectangles

Sewing Instructions

1. To make the brick rows, sew together 5 bricks end to end as shown below. Make 4 rows.

2. To make the block rows, sew together the pieces as shown below. Make 3 rows.

3. Sew rows together as shown on front of card adding sashing between the rows.
