By Jeanne Toewe

Kit includes:

Colors:

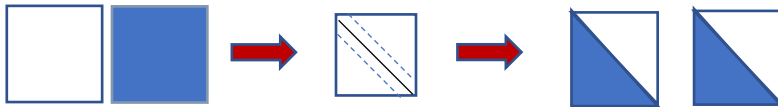

Forty-one 5" squares
Ten 6" squares

White/light:

Twenty-eight 5" squares
Ten 6" squares

All of the seam allowances are 1/4"

Using the method below, make 20 half square triangles with the ten 6" white/lights and the color 6" squares. Draw line diagonally across back of light fabric. Put fabrics right sides together and sew 1/4" on either side of drawn line. Cut on solid line to create **two identical half square** triangles. Trim half square triangles to 5"

Make 20 total – you will use 19

Arrange squares and half square triangles in a pleasing manner following the layout below. Sew quilt together in columns or rows as shown below.
